AND THE
CLERICAL PERSONNEL ASSOCIATION**

2007/08- 2008/09- 2009/10

ARTICLE I

Conditions and Scope of Agreement

The articles here-in-after describe the terms and conditions of employment agreed upon through informal negotiations between the Chief School Officer, acting in behalf of the Cato-Meridian Central School District, and the Cato-Meridian Clerical Personnel Association.

ARTICLE II

Declaration and Pledge of No-Strike Policy

In consideration of the agreement, and in conformance with Section 210 of the Taylor Law, the association does hereby affirm the policy that it does not assert the right to strike against the school system, nor will it assist or participate in any such strike by the employees, nor will it impose any obligation of said employees to conduct, assist or participate in a strike.

ARTICLE III

Grievance Procedures

1. Introduction:

The purpose of the grievance procedure is to make it possible for the employee who has a grievance to have such grievance heard in a simple, straight-forward and uncomplicated manner as possible. It will ensure that the employee, using the procedure, will not be subject to coercion, interference, restraint, discrimination or reprisal of any kind.

2. Definitions:

- a. A grievance is a complaint by an employee of an alleged violation of the terms and conditions of this agreement.
- b. An employee is any individual within the collective bargaining unit covered by this agreement.

3. Basic Principles:

- a. An employee shall have the right to be represented at any stage of the procedure by a person of her own choice. The aggrieved employee shall be present at all stages of the grievance procedure.
- b. Each party to a grievance shall have access, at reasonable times, to all written statements and records pertaining to such case.
- c. All hearings shall be confidential.
- d. The number of days provided for the presentation and processing of grievances at each step of the grievance procedure establishes the maximum time limits and any grievance not presented within the time limits provided at each respective step of the grievance procedure shall be deemed withdrawn.
- e. Employees shall not leave their duty stations to discuss or process grievances unless they have requested and received permission to do so from the administrator in charge.
- f. Each administrator shall have the responsibility to consider promptly each grievance presented to him or her and make a determination within the authority delegated and within the time specified in these procedures. Failure of an administrator to respond within the appropriate time limits shall move the grievance to the next stage.
- g. This procedure is not to be used to change existing laws, rules or regulations; nor is it to be used to amend the existing negotiated agreement.

4. Procedures:

Step 1- (Informal)

The grievance shall be presented orally by the aggrieved employee to her immediate supervisor within five (5) working days from the date of knowledge of the cause of occurrence giving rise to the grievance. If discussion of the grievance with the immediate supervisor does not result in resolution of the grievance, then:

Step 2 – (Formal)

The aggrieved employee shall submit her signed written grievance, using the attached grievance form, to the immediate supervisor within ten (10) working days from the date of the initial discussion of the grievance. If the level of supervision described above is the Superintendent of Schools, Step 2 and Step 3 shall be combined. After receipt of a written grievance at this step the supervisor shall, within ten (10) working days from the date the written grievance was received by him or her, reply in writing to the grievant. During this time the supervisor or the employee may request another meeting for the purpose of resolving the issue. If the grievance is not resolved at this stage, then:

Step 3

The aggrieved employee may, within five (5) working days from date of receipt of the supervisor's written decision, submit her grievance using the prescribed grievance form to the Superintendent of Schools who, within ten (10) working days after he receives the written grievance, will convene a meeting with the aggrieved employee for the purpose of resolving the grievance. If the grievance is not resolved as a result of this meeting, then:

Step 4

The aggrieved employee may, within five (5) working days from the date of receipt of the Superintendent's decision, request in writing a hearing before the Board of Education. All written statements and records of the case shall be submitted to the President of the Board of Education by the Superintendent of Schools. The Board shall hold a hearing to obtain further information regarding the case. The Board shall render a decision within fifteen (15) working days after the hearing. The decision of the Board of Education shall be final and binding.

In an effort to recognize regular attendance and, thereby, reward those employees who are able to maximize their contribution to the school district, a stipend of \$300.00 will be provided annually to all employees, covered under this agreement, who do not utilize sick leave. Additionally, a \$245.00 stipend will be provided to employees who use no more than three sick days annually.

Employees covered under this agreement shall be permitted, whenever practicable, to use sick leave for illness in the immediate family.

The immediate family shall be defined as parents, including mother-in-law and father-in-law, brother-in-law, and sister-in-law, foster or step parents, spouse, children, brother or sister, grandparents and grandparents of spouse, grandchildren, or other relative who is a member of the employee's household or for whom the employee serves as guardian.

- a. All contributions will be voluntary.
- b. Any employee covered under this agreement shall be eligible to participate.
- c. The sick day bank may only be used for involuntary disabilities or illnesses not covered under Workers' Compensation. Involuntary illness or disability shall be further defined as a period during which a person is recuperating for an injury resulting from an accident or a prolonged serious and catastrophic illness.
- d. Each clerical employee enrolling in the bank will donate two days of sick leave to the bank each year until there is a maximum total of 60 days. No more days will be added, except by new membership, until the bank is depleted to 30 days. "New Membership" shall be defined to mean employees who are either newly-employed in the District or who have not previously elected to contribute to the Sick Day Bank.
- e. Newly employed clerical personnel have the option of enrolling in the Sick Day Bank at any time through their first anniversary date of clerical employment with the District. Clerical personnel employed by the District who have not elected to join the Sick Day Bank and who were initially employed by the District prior to June 30, 1996 are no longer eligible to participate.
- f. A person withdrawing from the bank will not be able to withdraw the contributed days.
- g. The first 20 days of illness or disability will not be covered by the bank but must be covered by that person's own accumulated sick leave or leave without pay.
- h. A person will not be able to withdraw days from the bank unless that individual is a member of the bank and until personal sick leave is depleted.
- i. A maximum of 15 days may be drawn by each individual member from the bank each year during the life of the agreement.
- j. A maximum aggregate of 30 days each school year may be drawn by all sick bank participants.

- k. Persons withdrawing sick leave days from the bank will not have to replace these days except as a regular contributing member of the bank.
- l. The Clerical Personnel Association, in cooperation with the Superintendent of Schools, will administer this bank and supervise its operation.
- m. By October 15th of each year, the names of contributing members to the Sick Day Bank will be submitted to the District Office.
- n. Members of the Clerical Personnel Association shall receive an annual accounting of total days contributed to the Sick Leave Bank.

3. **PERSONAL LEAVE:**

- a. Employees covered under this contract shall be granted six (6) days personal leave per annum.
- b. Personal leave is to be used for matters which cannot be scheduled outside of regular school hours.
- c. Personal leave should be allowed without salary deduction for the following reasons:

 - ❖ Business (e.g. internal revenue, state income tax bureau, real estate, banking, legal).
 - ❖ Funerals (outside of present allowable). This would cover the funeral of a neighbor or other non-relative who is very close to the employee.
 - ❖ Emergencies or other personal reasons at the discretion of the employee's immediate supervisor.
- d. Unused personal days to a maximum of three (3) per year accumulative to a total of thirty (30) may be added to the accumulated annual sick leave.

4. **BEREAVEMENT:**

In the event of a death of one of the following members of an employee's family: Parents (including mother-in-law and father-in-law, foster or step parents), spouse, children, brother or sister, grandparents and grandparents of spouse, grandchildren or other relative who is a member of the employee's household or for whom the employee serves as a guardian, the employee shall be paid at her regular rate for up to three days.

In the event of the employee's brother-in-law or sister-in-law, aunt, uncle, niece or nephew, the employee shall be excused from work at her request to attend the funeral and shall be paid at her regular rate for the day of the funeral provided the employee was regularly scheduled to work on the day of the funeral.

Professional Growth

The Board of Education will reimburse tuition costs for work-related courses taken at Cayuga Community College, BOCES or other accredited schools, subject to the prior approval of the Superintendent of Schools or his designee.

Employees must present written verification in the form of a receipt concerning the tuition cost and a statement from the school, or instructor, indicating that the course work was successfully concluded to be eligible for reimbursement.

Employees will be limited to reimbursement for one course per semester based upon a three semester academic schedule.

ARTICLE VI

Vacation

1. Clerical personnel will be entitled to two weeks vacation with pay after completion of their first year of clerical employment, based upon the school's fiscal year: July 1 – June 30. First year employees who have not yet completed one full year of employment shall be entitled to a prororation of vacation days (5/6 per month) for days accrued during the fiscal year. These days must be utilized during the second fiscal year of employment.

Employees must begin work on or before the 15th of the month to be eligible to count that month for vacation accumulation purposes. Fractional day accumulations shall be equated to one full day. Clerical personnel, who were formerly employed by the District as an educational aide or assistant, should be given vacation service credit based upon the criteria established in Article VI of the 1985-87 agreement between the District and the Educational Aides.

One additional day of vacation will be granted for each succeeding year of employment through the next five (5) years as an employee of the school district. One additional day will also be granted for each succeeding year of employment between year ten and fourteen, thereby entitling an employee to 20 days of vacation at the completion of her 14th year.

2. A maximum of two weeks, or 10 working days, of this vacation time may be taken during the summer months, unless arrangements are made with the administrator in charge.
3. Up to five days of annual vacation leave may be "rolled over" into the following year with the prior permission of the Superintendent of Schools.

If a holiday falls on a day when school is not in session, the employer, and the Association, shall decide upon a compensatory day off with pay.

Section III:

In addition to the above-listed fourteen paid holidays, employees covered under this agreement shall also be entitled to one paid floating holiday which is subject to the prior approval of the administrator in charge.

Beginning on July 1, 1985, the district will contribute seventy-five (75%) percent of the premium for the health insurance plan to individual coverage and fifty (50%) percent of the premium for individual and dependent coverage for members of the negotiating unit who retire on or after July 1, 1985.

When an employee is separated from service for other than disciplinary reasons, she shall be granted the first opportunity to apply and be interviewed for the vacant position.
